**June 2-3, 2026**

### Little Women at the Guthrie

In this beloved coming-of-age drama, Jo March desperately wants to be a writer – an unusual dream for a teenage girl in 1860's Massachusetts. With their father away during the Civil War, Jo and sisters Meg, Beth and Amy, at home with their mother Marmee, remain joyful and dutiful despite their modest circumstances. As time passes, the women in the family grow ever closer as they navigate love, loss and new beginnings.
